let's hear it for the boys

Who knew a tweedy gray suit, leather boots and paisley-patterned bow tie could translate so well into home decor?

The coupe cozy chic

A rustic home in Vancouver's posh West End gets a sophisticated makeover. Earthy artwork complements whitewashed wood paneling and exposed brick. A wingback headboard wows in menswear-inspired upholstery. The cozy atmosphere is less cookie-cutter cosmopolitan and more rustic retreat. Fitting for a seaport city, don't you think?

CapCity organic dining

Your impeccable taste is served up fresh with weathered wood finishes and earthy upholstery. An eclectic mix of distressed wood and raw metal (below and right) are right at home in the flavorful capitol city.

san fran reclaimed retreat

How do you create a rustic refuge from the sights and sounds of the city? With heavily distressed wood and raw, rustic metal, plus a pleasing palette of rich earth tones and luxe linens. A San Francisco treat, indeed.
